CONSENT TO CLOSING OF ROAD

Section 349, Land Act 1958

Corr. No: 0503597

A road laid out on land of the Crown which is unused as to the whole or any portion of the length or width may be closed by the Governor in Council as to the whole or part, as the case may be, by order published in the Government Gazette; but only with the **concurrence in writing** of the Council of the Municipality in whose district the road is located, and of the owners of any land adjoining the road.

If the Council favours the closing of the road described in the next paragraph, its concurrence should be given in writing to satisfy the requirements of the relevant legislation. It is suggested that the form of consent at the foot of this sheet should be used to provide the written concurrence of the Council under seal, or under the hand of the Town Clerk or Shire Secretary.

The description of the road is: **UNUSED ROAD BEING CROWN ALLOTMENTS 2043, 2036 AND 2048 ON ORIGINA PLAN OP124939, PARISH OF KIORA ON THE ATTACHED PLAN.**
